MYSURU

Private Ambulance Provider Directory

Publicly listed ambulance operators, contact points and integration leads for the Sanjeevani app

RESEARCH CUT-OFF	GEOGRAPHY	USE CASE
31 October 2026	Mysuru city and nearby localities	Provider discovery and app onboarding

Important scope note

There is no single public, authoritative register of every private ambulance operator in Mysuru. This document consolidates providers that appeared in public business directories, local emergency-contact pages and provider websites as of the research cut-off. It is a best-effort public-source directory, not a certified complete list.

Hospital-independence limitation: A standalone business name or address does not prove that a provider has no hospital ownership, referral tie-up or exclusive contract. Public pages generally do not disclose ownership or exclusivity. The main list therefore means “listed separately as an ambulance service, with no hospital brand identified as the operator in the source listing” - not independently verified as unaffiliated.

Contact-number caution: Numbers shown by Justdial may be call-routing/lead numbers, not the ambulance owner’s direct mobile. Where two sources disagree, both are shown with their source label rather than merged.

Best first-pass leads for the app

Provider	Public contact	Why it is worth evaluating
Sanjeevini Ambulance Service	+91 99451 91619 +91 98452 91182	Official website publishes several contacts and identifies a Mysuru branch.
MY SANCHARI Travels & Ambulance	+91 73376 68946	Local 24-hour ambulance-service business listing and Mysuru street address.
Mysore Ambulance Service	+91 99802 81414* Justdial: 09035137165	Current 24-hour local listing; phone sources conflict, so test the direct line first.
Yashaswini Medical Service	+91 96329 66666* Justdial: 08511134591	Listed in local emergency contacts and as 24-hour ambulance service.
Green Ambulance Service	+91 81236 93276	Own website advertises 24/7 road ambulance; Mysuru listing exists but branch location needs confirmation.

*Direct/local listing or historical contact as explained in the provider record; asterisked numbers need a live test before being hard-coded into the app.

A. Local provider listings

These providers are listed as standalone ambulance services or medical transport businesses in Mysuru. “Standalone listing” is not proof of no hospital partnership.

1. Sanjeevini Ambulance Service

Contact: +91 99451 91619; +91 98452 91182
Official site also publishes +91 94484 96666 and +91 98801 88466.
Location: Local listing: 6, 4th Cross, 2nd Main, Vijayanagara, near Mahadeswara Temple Road, Vinayaka Nagar, Mysuru 570012. Official website identifies a Mysuru branch (also Tumakuru and Shivamogga); head office is in Bengaluru.
Notes: Strong candidate for a direct provider conversation. The official site publishes contact numbers and confirms Mysuru as a branch location. Public materials do not establish whether it has exclusive hospital affiliations.
Evidence: [S4] [S5] Provider listing + official site

2. MY SANCHARI Travels and Ambulance Services

Contact: +91 73376 68946
Location: 1823, Bannur Road, opposite Teresian College, Vidya Nagar, Mysuru 570029.
Notes: Listed as an ambulance service with 24-hour availability on its local business profile. Public profile also describes travel services. Fleet size and ambulance type are not published in the retrieved listing.
Evidence: [S11] Local ambulance-service listing

3. Mysore Ambulance Service / Mysore Ambulance Services

Contact: Local business profile: +91 99802 81414. Justdial call-routing listing: 09035137165.
An older district inventory also lists 99018 64111; treat as historical.
Location: 04, Dewan Poorniah Choultry Complex, M.G. Road, opposite JSS Hospital Road, Agrahara / Fort Mohalla, Mysuru 570004.
Notes: Current local directory result describes a 24-hour ambulance service. Different sources show different phone numbers; do not merge them as confirmed equivalents. Try the local profile first and retain the Justdial number as a platform route.
Evidence: [S2] [S3] [S10] [S16] Multiple listings; phone conflict

4. Yashaswini Medical Service / Yashaswini Ambulance

Contact: Local emergency contact list: +91 96329 66666. Justdial call-routing display: 08511134591.
Older district inventory lists 96329 66665 / 98450 83398.
Location: 3rd Main, Ramanuja Road, Agrahara, Mysuru 570004 (Justdial listing).
Notes: Listed as a 24-hour provider in Justdial. The local emergency contact page and Justdial display different numbers; keep both source-specific and verify before adding a direct-call button.
Evidence: [S1] [S2] [S3] [S16] Provider listing; conflicting numbers

5. V B Ambulance & Medical Services

Contact: Justdial displayed numbers: 08511125654 and 07022119769 (different listings).
These may be directory call-routing numbers rather than the operator’s direct SIM number.
Location: Listings show KRS Main Road, Yadavagiri; another listing shows KRS Main Road, Metagalli, Mysuru 570016.
Notes: Listed for ambulance and 24-hour ambulance services. Two locality/number combinations appear under the same business name, so treat as potential duplicate branch/listing until resolved.
Evidence: [S2] [S3] 24-hour listing; contact via directory

6. Annapoorna Ambulance Service

Contact: Justdial displayed number: 09054746920.
Location: KRS Road, Kumbara Koppal, Mysuru 570016, near New Jayadeva Hospital.
Notes: Justdial marks the listing as verified and lists ambulance and 24-hour ambulance service. The displayed number may route through the directory platform.
Evidence: [S2] [S3] Verified directory listing

7. Life 2 Life Ambulance Service

Contact: Star of Mysore contact list: +91 81520 70767. Justdial displayed number: 08128538726.
Location: Dakshineshwara Road, Ramakrishnanagar, Mysuru 570022.
Notes: Justdial lists Basic Life Support ambulance services. A recent 2026 review appears on the listing. The newspaper contact number and directory call-routing number differ.
Evidence: [S1] [S2] [S3] BLS listed; conflicting numbers

8. V V Ambulance Service

Contact: Star of Mysore contact list: +91 98803 31313. Justdial displayed number: 08971810700.
Location: 32/3, Manandavadi Road, Chikkaradanahalli, Jayanagar, Mysuru 570014.
Notes: Justdial lists 24-hour ICU ambulance services. Source numbers differ; preserve them as separate source-provided contacts.
Evidence: [S1] [S2] [S3] ICU ambulance listing

9. Saint Marys Ambulance Service

Contact: Justdial displayed number: 08511745680.
Historical district inventory lists +91 98866 69086 / +91 87224 31732; these are old leads only.
Location: Kalidasa Road, V.V. Mohalla, Mysuru 570002.
Notes: Current Justdial listing shows ambulance and 24-hour ambulance services. Historical numbers are from a 2015-16 district plan and must not be treated as current without rechecking.
Evidence: [S2] [S3] [S16] Current listing; old direct numbers

10. Sri Chamundeshwari Ambulance Service

Contact: Historical district inventory: +91 99459 57942 / +91 96320 26283. Current Justdial listing does not expose a phone number in the captured result.
Location: Krishna Temple Road, Yaraganahalli, Mysuru 570029 (current Justdial listing; opposite Teresian College).
Notes: A current directory listing exists, but the only phone numbers found are from the 2015-16 district inventory. Keep as a lead, not a confirmed active contact.
Evidence: [S2] [S16] Current listing; phone archival only

11. Sri Thibbadevi Ambulance Service

Contact: Local business listing: +91 99806 59811.
Location: Kamakshi Hospital Road, Janatha Nagar / T.K. Layout, Mysuru 570009.
Notes: Local profile describes a 24-hour ambulance service. Its location near a hospital does not itself demonstrate hospital ownership or exclusivity; affiliation is not established by the public listing.
Evidence: [S13] Local 24-hour business listing

12. Star Ambulance

Contact: Local listing: +91 91488 52881.
Location: Saraswathipuram, Mysuru 570009.
Notes: Listed as a local ambulance service and shown as 24-hour on its business profile. Detailed vehicle capabilities and exact street address were not exposed in the retrieved listing.
Evidence: [S12] [S18] Local provider listing

13. Green Ambulance Service

Contact: Official website emergency number: +91 81236 93276.
Location: Mysuru directory listing: No. 2852/1, CH 57/1, 2nd Main Road, Jayanagar, Mysuru 570014. Its official website lists a Bengaluru address (Dooravani Nagar), so Mysuru dispatch/branch must be confirmed.
Notes: Official website advertises road, train and air ambulance services and 24/7 availability. This is a useful regional-network candidate, but the website address and local directory address differ.
Evidence: [S7] [S8] Regional service; Mysuru location mismatch

14. Sai Ambulance Sales and Service Mysore

Contact: Local directory: +91 93426 12359.
Location: Door 100, Eden Garden Layout, 5th Cross Road, 2nd Stage, Rajiv Nagar, Mysuru 570007.
Notes: The business is listed under ambulance sales and service. The public listing does not clearly establish that it operates a patient-transport fleet, so classify as a possible vehicle/vendor lead, not a confirmed dispatch partner.
Evidence: [S6] Sales/service lead - fleet unconfirmed

15. DRS Ambulance Service

Contact: No direct phone number surfaced in the accessible public listing.
Justdial listing exposes a “Show Number” control; the number itself was not visible in the retrieved content.
Location: DRS Medical & Clinic, Hootagalli / Hunsur Main Road, Mysuru 570018.
Notes: Listed as an ambulance/emergency-care provider and shown as 24-hour in business search data. Because the listing is at a clinic premises, independent ownership/association is unclear.
Evidence: [S14] [S3] Listing present; no public number

16. Sri Priya Ambulance Services / Priya Ambulance

Contact: Star of Mysore emergency list: +91 94483 42008 (Priya Ambulance).
Location: Justdial listing for Sri Priya Ambulance Services: Shivaji Road, Narasimharaja Mohalla, Mysuru. The name/contact match is not confirmed.
Notes: Treat the contact as a possible match only: the newspaper uses “Priya Ambulance”, while the local directory uses “Sri Priya Ambulance Services”.
Evidence: [S1] [S2] Possible name match - verify identity

B. Network / aggregator leads

These may help Sanjeevani access several partner fleets through one coordination channel, but they should not be described as independent Mysuru fleet owners unless that is separately evidenced.

1. VMEDO Ambulance Services - Mysuru MYS002

Contact: +91 93431 80000 (Star of Mysore contact list)
Location: Gowri Pharma, #16/1, 7th Cross, Veene Sheshanna Road, K.R. Mohalla, Mysuru 570001.
Model: A city listing/booking-network option. The retrieved Mysuru directory listing shows a VMEDO branch point, while the local newspaper lists the network contact. Do not assume the local address is a fleet depot.
Evidence: [S1] [S9]

2. Gopal Ambulance - Mysuru desk

Contact: +91 70445 50059 / +91 98312 76492
Location: Mysuru service page; specific street office address not shown on the page.
Model: The company page says it coordinates emergency and planned transfers through vetted partner operators. This is an aggregator/network lead, not evidence of a directly owned Mysuru fleet.
Evidence: [S15]

C. Additional names in an older district inventory

The Mysuru District Disaster Management Plan 2015-16 included the following ambulance-service names and phone numbers in its inventory. These records are approximately 10 years old as of this report and are presented only as historical leads. Do not import them as active app providers without current confirmation.

Historical name	Phone in 2015-16 inventory	Current evidence / caution
JMS Kaveri Ambulance Service	+91 94494 22615 / +91 99868 17230	Old district plan; current Justdial listing at Teresian College, Siddarthanagar, but no phone displayed.
Sri Manjunatha Ambulance Service	+91 97411 11956 / +91 99003 36443	Only found in the 2015-16 district inventory; current status not established.
Sri Vinayaka Ambulance Service	+91 99007 16670 / +91 97405 97709	Only found in the 2015-16 district inventory; current status not established.
Ninapurneshwara Ambulance Service	+91 97433 98498	Only found in the 2015-16 district inventory; current status not established.
S S Ambulance Service	+91 87224 31732 / +91 95356 38488	Only found in the 2015-16 district inventory; 87224 31732 also appears as an old Saint Mary’s contact, so a duplicate/stale number is possible.

A note about other search results

VMEDO and Gopal are shown above as network leads. MedifyHome lists the same central numbers (+91 91009 07036 / +91 91009 07622) against several provider names; these appear platform-level rather than provider-specific contacts and should not be stored as each ambulance operator’s direct number. [S19]

Hospital-operated services (for example, ambulance services branded and dispatched by a hospital) were intentionally kept out of the standalone-provider list. Government 102/108 is an emergency fallback, not a private partner. [S17]

D. Data fields to store in Sanjeevani

For each provider record, use a “provisional/unverified” state until dispatch capability and credentials have been checked. Do not represent a listed contact as live availability.

Field	What Sanjeevani should capture
Provider identity	Legal/business name, display name, GSTIN or registration reference if voluntarily provided, provider type, public website.
Service coverage	Base locality, service radius, Mysuru city coverage, outstation availability, operating hours.
Fleet	Vehicle registration, ambulance category (BLS / ALS / ICU / neonatal / mortuary), oxygen, ventilator, monitor/defibrillator, stretcher.
Crew	Driver identity, EMT/paramedic/nurse/doctor roles, credential verification, shift coverage.
Dispatch	Primary and backup phone, WhatsApp/dispatch number, booking acknowledgement, ETA update, cancellation contact.
Commercial	Base fare, per-km rate, waiting charge, tolls, night surcharge, included crew/equipment, receipt/GST invoice.
Safety & governance	Vehicle fitness/permit, insurance, staff credentials, patient-data consent, incident escalation, hospital tie-up/exclusivity disclosure.
Integration	API/webhook if available; otherwise provider dashboard or call-centre handoff with timestamped acceptance and status updates.

Emergency product-design safeguard

A patient-facing app must not delay emergency response while trying to find a private partner. Keep the government emergency route (102/108 in Mysuru) visible, and clearly tell users to call emergency services immediately for life-threatening emergencies. [S17]

E. Source register

[S1] Star of Mysore - Ambulance service contact list (VMEDO, Life2Line, Sanjeevini, Yashaswini, Priya, VV)

[S2] Justdial - Domestic ambulance services in Mysore (names, addresses and displayed contact numbers)

[S3] Justdial - 24-hour ambulance services in Mysore (24-hour listings and additional providers)

[S4] Sanjeevini Ambulance - official contact page

[S5] Mysuru Directory - Sanjeevini Ambulance local listing

[S6] Mysuru Directory - Sai Ambulance Sales and Service listing

[S7] Mysuru Directory - Green Ambulance Service listing

[S8] Green Ambulance - official website and published emergency number

[S9] Mysuru Directory - VMEDO Mysuru listing

[S10] Mysuru Directory - Mysore Ambulance Service listing (local business search result)

[S11] Local business listing - MY SANCHARI Travels and Ambulance Services

[S12] Local business listing - Star Ambulance, Saraswathipuram

[S13] Local business listing - Sri Thibbadevi Ambulance Service

[S14] Local business listing - DRS Ambulance Service, Hootagalli

[S15] Gopal Ambulance - Mysuru service page; describes coordination through partner operators

[S16] Mysuru District Disaster Management Plan 2015-16 - historical ambulance inventory (not current verification)

[S17] District Mysuru official helpline page - government ambulance numbers

[S18] PinkBazaar directory - Star Ambulance Mysuru listing

[S19] MedifyHome - Mysore ambulance service page (platform-level numbers repeated across listings)

Prepared for preliminary partner discovery for the Sanjeevani app. Public listings can be stale, phone numbers can be reassigned, and affiliations may be undisclosed. Verify a provider before placing it in front of patients or dispatching an ambulance.
